Entry and Fees

Send an email note to Tom Barnett that you are playing (tom.barnett99@gmail.com). Early entries help give us time to handicap flights. The latest deadline is **Monday, October 28**. There is *no* initial entry fee.

Weekly fees

Green Fees **\$16.00**
Prize Fund \$5.00 (guests do not pay into the prize fund)
Carts **\$7.00** (optional)

Weekly Guests

Non-league members pay the above amounts per night but do not pay the prize fund. Guests may play in any scrambles, but teams are eligible for *skill prizes only*.

Check-In

Upon arrival, in the Ken McDonald Pro Shop, pay the weekly fee and check with the pro regarding pairings.

Skill Prizes

Summer league will have 4 skill prizes. Each skill prize is worth \$5.00 and one point. Points are added to season-long accumulative flight points.

Closest to the Pin: The ball must be on the green.

Longest putt: Ball must be on the green.
It does not have to be your first putt.

Teeing Grounds

Players in flight 1 may play from the white tees instead of blue tees but handicaps will be adjusted. Please declare before we start play

Senior males may request to play from the forward tees but must do so before league starts

Flights

Players will be pre-flighted for each session based on their handicap. Each session involves weekly stroke play, and points accumulate weekly for each session. The number of flights depends on number of players joining the Winter League.

Weekly Flight Points

First: 5 | Second: 4 | Third: 3 | Fourth: 2 | Fifth: 1
(The places in a flight may be fewer if fewer golfers play during a week.)
1 pt. for playing and submitting signed scorecard
1 pt. for winning a skill prize.

Session Payout for Each Flight

All prizes are money credits through the pro shop for the accumulative amount won for each session (usable in the pro shop, bar, or restaurant).

Number of Places: This is determined after sign-ups and flights are created by handicaps.

Places may be reduced if the number of players in a flight is less than 10. Each flight's total fund is determined by the number of players contributing each night in their flight minus the skill prize fund.

Scrambles

No scrambles are on the schedule; however, that does not eliminate the option of scheduling one at the end of the summer session. Details will be provided a week or two before the close of the session.
