## 2009 ANNUAL DINNER

### Registering Guests

Each guest must be registered separately. If you have more than one guest, you can pay with one check.

Follow the procedure for registering yourself, but use your phone number and e-mail address. If you prefer, print this page and mail it with your check (\$15 per guest)—mail it only if it will be received by November 20. If you can't get it in by November 20, bring a check (\$20 per guest) to the dinner.
